

CHILD PASSENGER SAFETY TECHNICIAN CERTIFICATION COURSE

September 13 - 16, 2010 8:30 a.m. - 4:30 p.m.
at Central Kitsap Fire & Rescue Station 51
10955 Silverdale Way, Silverdale

Children are at risk of serious injury in car crashes. Most of these injuries could be avoided with proper use of child safety seats and restraint systems. Become a Certified Technician, and help families travel more safely.

Certification Fee: \$75

Some Kitsap scholarships may be available
